

Dear Friends of Swing for Autism,

We are excited to announce the 9th Annual Swing for Autism Golf Tournament and Celebration to be held on November 5, 2018 at the Coto de Caza Golf and Racquet Club. Proceeds from the Event will benefit two non-profit organizations: New Vista School and Spirit League.

Since the inaugural Swing for Autism Golf Tournament in 2009, over \$700,000 has been raised at the Event to benefit children and young adults with autism.

- **New Vista School**

New Vista School is a 501(c)(3), WASC accredited independent school serving the needs of Orange County students with Autism Spectrum Disorder in grades 6-12 and beyond. Their mission is to provide a structured, safe environment of academic, social, and transition skills instruction for students within the autism community. - **Spirit League**

Spirit League is 501(c)(3) nonprofit organization that gives children and young adults with autism and other developmental disabilities an opportunity to participate in team sports that are tailored to meet their specific needs. Spirit League is the only organization in Orange County that has three seasons of sports (baseball, basketball and soccer) to serve these amazing athletes. In 2018, the Spirit League family included nearly 400 athletes. (Tax ID# 20-1707223) www.spiritleague.org

We are respectfully requesting items for donation which will be used in our silent auction. Cash donations lieu of specific items are also appreciated.

Proceeds from the Swing for Autism Event will benefit New Vista School by partially funding their tuition assistance program, field trips and continuing education opportunities for both students and parents. It will help Spirit League by funding athletic equipment, facilities and athlete scholarships. Proceeds will benefit general operating expenses of both organizations.
