

With 1 out of every 59 children in the U.S. (1 out of 37 boys) diagnosed with autism spectrum disorder (ASD), we all know someone who has been affected. Up 15% from just two years ago, the rate of autism is steadily increasing. These children are struggling with growing up in an environment that is not prepared to handle their unique needs while providing the crucial life skills necessary to prepare them for adult life.

This is where two non-profits, New Vista School (a private school for teens with ASD) and Spirit League (a sports league for children/young adults with ASD), are changing lives every day.

- Because of New Vista School, teens with ASD are able to thrive in a structured educational setting taught with high expectations producing equally high results.
- Because of Spirit League, young athletes with ASD are able to experience the rite of passage provided by team sports; developing both basic game play and social skills.

Please join us in supporting students and athletes with ASD at the prestigious Swing for Autism Golf Tournament on November 4th at the Coto de Caza Golf and Racquet Club.

I would love for you to participate as a golfer but more specifically, I want to invite you to become an Event Sponsor. ***You will receive recognition at the Tournament while directly helping hundreds of children and young adults with ASD.***

A flyer describing the Event is attached in addition to a Sponsorship Registration Form which explains the various levels of sponsorship. To read more, go to www.SwingforAutism.org.

Thank you so much for considering sponsorship of this important event.

Sincerely,

Melanie Smith
Swing for Autism Coordinator

10th Annual

Swing for Autism Golf Tournament & Dinner Celebration

Monday, November 4, 2019
Coto de Caza Golf & Racquet Club

Support Great Causes

Proceeds from the Event will benefit two great nonprofit organizations: New Vista School and Spirit League.

- **New Vista School** is a 501(c)(3), WASC accredited independent school serving the needs of Orange County students with Autism Spectrum Disorder in grades 6-12 and beyond. Their mission is to provide a structured, safe environment of academic, social, and transition skills instruction for students within the autism community. www.newvistaschool.org
- **Spirit League** is a 501(c)(3) nonprofit organization that gives children with Autism Spectrum Disorder an opportunity to participate in team sports that are tailored to meet their specific needs. In 2018, the Spirit League family included nearly 450 athletes with developmental disabilities participating in baseball, basketball and/or soccer. www.spiritleague.org
