

With 1 out of every 36 children in the U.S. diagnosed with autism spectrum disorder (ASD), we all know someone who has been affected. The rate of autism has nearly doubled in the past decade, and these children are struggling to grow up in an environment that is unprepared to meet their unique needs and provide the essential life skills necessary for adult life.

Two non-profit organizations, New Vista School (a private school for teens with ASD) and Spirit League (a sports league for children adults with ASD), are making a daily difference in the lives of these children.

- New Vista School provides a structured educational setting with high expectations, leading to exceptional results for teens with ASD.
- Spirit League offers young athletes with ASD the opportunity to participate in team sports, developing both basic gameplay and social skills.

We invite you to support students and athletes with ASD at the Swing for Autism Golf Tournament, which will be held on October 28, 2024, at the Coto de Caza Golf and Racquet Club.

I would be thrilled if you could participate as a golfer, but I particularly want to invite you to become an Event Sponsor. By doing so, you will receive recognition at the tournament while directly helping hundreds of children and young adults with ASD.

An attached flyer describes the event, and a Sponsorship Registration Form explains the various levels of sponsorship. To find out more, please visit www.SwingforAutism.org.

Thank you very much for considering sponsorship of this important event.

Sincerely,

William Bermingham

Support Great Causes

Proceeds from the Event will benefit two great nonprofit organizations: New Vista School and Spirit League.

- **New Vista School** is a 501(c)(3), WASC accredited independent school serving the needs of Orange County students with Autism Spectrum Disorder in grades 6-12 and beyond. Their mission is to provide a structured, safe environment of academic, social, and transition skills instruction for students within the autism community. www.newvistaschool.org
- **Spirit League** is a 501(c)(3) nonprofit organization that gives children with Autism Spectrum Disorder an opportunity to participate in team sports that are tailored to meet their specific needs. In 2024, the Spirit League family included over 600 athletes with developmental disabilities participating in baseball, basketball, bowling, volleyball, flag football, and/or soccer. www.spiritleague.org
